UIL Academic Team Guidelines

Listed below are the guidelines regarding competitors who wish to compete on the UIL Academic Team. These UIL Academic Team Guidelines must be signed by both parent and student before a competitor will be allowed to compete.

1. Competitor must be eligible per the policies outlined in the UIL CC&R in order to compete. If a competitor is ineligible for two six-weeks they will not compete at any remaining Invitational Meets or at District during the 2019-2020 school year.
2. Competitor must attend practice sessions regularly as set-up by the individual event sponsor.
3. Competitor must make contact with the event sponsor within 24 hours of an Invitational Meet if they will not be able to attend. In an emergency situation, the competitor's parents may make contact with the event sponsor the morning of the event before the designated leave time. If the event sponsor is not notified, the competitor may be required to sit out the next Invitational Meet.
4. Competitor must follow policies as stated in the PTHS Code of Conduct while traveling with the Academic Team. If a competitor violates a policy, they will be subject to school discipline and will not compete at the next Invitational Meet.
5. Competitor must compete in at least 75% of the Invitational Meets and be a member of the District Team in order to earn a District Patch. All other competitors will earn a certificate. (Exception: If a competitor is unable to meet the 75% portion due to attending other UIL events/activities, it will not be held against them.)
6. Competitor who has been a member of an event team for two years, attended 75% of the Invitational Meets during those two seasons, and is a member of the District Team one of those two seasons is eligible for the Letter Jacket. All Letter Jackets will be ordered in May. (Exception: If a competitor is unable to meet the 75% portion due to attending other UIL events/activities, it will not be held against them.)
