SUBJECT: TILF Scholarship Opportunities

Enclosed you will find two copies of The Texas Interscholastic League Foundation (TILF) brochure. TILF provides scholarships to students who participate in UIL academic competitions. We disburse over \$1 million in scholarships each year and about 40% of our applicants typically receive awards.

Our eligibility requirements are that a student must compete at the state level in an UIL academic contest AND must plan to attend a Texas college or university. Please encourage any eligible seniors at your school to apply.

Keep in mind that participation only in UIL athletics, music, or on honor crew DOES NOT qualify a student to apply for a TILF scholarship, but that these activities may enhance a student's application.

Applications will be accepted via the TILF website (www.tilfoundation.org) from March 1 to May 8, 2020.

Students competing in late speech contests must submit their applications by the May 8th deadline, but may amend their applications through May 31st by emailing placement updates to trichards@tilfoundation.org.

If you have any questions, please contact me at trichards@tilfoundation.org or 512-382-0916.

You can also like our Facebook page (facebook.com/TILFoundation) or follow us on Twitter ([@TILFoundation](https://twitter.com/TILFoundation)) to receive updates and deadline notifications.

Thanks so much for all you do!
